

SCOTTISH SMALL-BORE RIFLE ASSOCIATION

  
17th February, 1975.

Association Medal and Eley Tankards

Thank you for the excellent entry. At 211 it was more than 50% up on last year, even beating inflation! The qualifying scores have also improved in classes C and D and I look forward to a cracker of a final.

Full score sheets are enclosed as are the cards for those in the Final. Last date for shooting is 17th March. The conditions for witnessing and the shooting time are as for the Daily Record (Dragon Bowl). The Medal goes to the best score in the Final with an engraved Eley Tankard to each class winner. Ties will be determined by a tie-shoot.

Please make use of the enclosed entry for the new CanDicap competition by passing to an enthusiastic club colleague if you yourself are not eligible and note that the sweatershirts are now becoming available (£4.75 each).

Bob Normand  
Secretary.

The CanDicap

To provide a postscript to the season for our many C and D class shooters we are offering a new competition. To qualify, your average (best 10 of last 12) must be less than 96.0.

The competition is an own-start with a minimum start of 5 per card. The qualifying stage is three cards to be shot by 24th March and returned promptly. The cards do not form a set and may be shot on different dates up to 24th March. Please note N.S.R.A. rule 55-D covering own-start competitions.

The best 10 and equal tenth qualify for a two-card final (same starts to be taken) with a tie to be decided by a tie-shoot. There will be a cash prize to the winner and the fee of 30 pence is required with entry.

Please give the competition your support or, if you are not eligible, please pass this note to another club member who may enjoy it.

Bob Normand  
Secretary.
