\*\*\*\*\*

The response to date has not been overwhelming but is strong enough to confirm the venture. The May draw has been postponed two weeks to 22nd May (Final trials at Aberdeen) to allow the many who have expressed interest to send in their entry and cheque by return. The fee for inclusion in all the draws is £6.

To remind you, six draws will take place during the year. The fee is allocated at £1 per draw with 50% payout over three prizes each time and the balance to the Match Fund. After 22nd May the enrolment fee will be £5 for the five remaining draws.
