Thank you all for making this shoot a success without you there would be no competition.
 A hearty thanks to all the members who assisted with the stats and the catering (roll man)
 Only one thing that I would like to bring to your attention one person had a practice before he shot
 his competition cards I do not know if he was aware that there is **No Practice Cards before a
 Competition and Alloa did not have an unlimited competition.** Perhaps we will allow some
 form of practice next year but this will depend on entries and space on the firing point
