Many congratulations to Ken on some excellent shooting. Congrats to Ken and Ian for their top scores of 200. The standard was very high with a lot of close matches. The only downside was having to use bogey scores of 198, 196, 194 and 192. The only way to avoid this, is for you all to encourage more people to enter. Upstairs average was 195.7 to 196.5 downstairs. See you all next year.
