CanDicap Final

Congratulations to Mrs. Ruth Wallace, Redcraig, on winning the first CanDicap competition. Mrs. Wallace is a new member to the Association this year and has made the best possible start to her "career" with us. Although we have no trophy for the competition yet, the winner's cheque of £4.00 plus a free entry to the 1975 team trials should be useful.

All the finalists are to be congratulated for the high standard attained in the final. I hope to see them try again next season when the competition will be started earlier.

Bob Normand
Secretary.

P.S. Still time for a last-minute entry to the Trials!!
