

SCOTTISH SMALL-BORE RIFLE ASSOCIATION

6th December, 1976.

First Scottish Air Weapons Meeting

The inaugural meeting in Stirling on 4th and 5th December, 1976, attracted 35 competitors of whom 26 shot rifle and 9 shot pistol. The severe weather over the weekend caused the withdrawal of a further 5 rifle shooters and 4 pistol shooters who had entered although it did not deter our American friend, Miss Sue Ann Sandusky, from travelling up from London to add the Scottish Aggregate to the British Aggregate she won in October in Cardiff.

By all accounts the venture can be judged a success to be repeated and even expanded. The 1977 Meeting will, therefore, be held again in the Central area and a little earlier in the year, probably relating it to the Cardiff championships so that the Scottish meeting could give a guide to team selection for the Home Countries Match. Messrs. D. Crockart & Son, who provided the automatic target changers for the 1976 meeting, have kindly offered a new trophy and prize money to institute a competition for the Individual Air Rifle Champion of Scotland at the 1977 meeting.

Warmest thanks go to Stirling Royal Infirmary for giving the use of their social hall, to Bill Moonie and his range construction team for their work in the small hours between the end of a disco and the start of shooting and to Mrs. Moonie for running a generous catering service.

Bob Normand
Secretary.
