I'm sorry this result is late again, I've been busy again.

There are still 2 places left in the summer league. If any of you who have not entered yet, or any of your friends, are interested, it is not too late! Please send your entry and money direct to me. I will keep these places open till the last possible minute but, obviously, I can't wait too long.

I hope you've all enjoyed this competition as much as I have. Thank you for participating.

Wishing you good shooting during the summer,

Anne M Hamilton
