

SCOTTISH SMALL-BORE RIFLE ASSOCIATION

20th March, 1979.

Third Scottish Air Weapons Meeting

The third annual meeting was held on the premises of R. & W. Watson (Converters) Ltd., Linwood, on 17th & 18th March, 1979. With entries almost 50% up on 1978 it is anticipated that an even larger (and warmer) hall will be needed for 1980. A joint meeting with the S.P.A. is therefore being planned for 15th/16th March, 1980, at Meadowbank.

The advance by youth is most encouraging, especially Alan Stewart's successes in the Scottish Championship and A Class aggregate. Several others are obviously training hard and are being rewarded by consistently higher scores. The defending champion, Alan Campbell-Smith, did not yield his title lightly, as the detailed scores show. Jim Scobie scooped the pistol events for the second year and Alan Sprott won the engraved tankard for the highest score on the Moving Target.

Thanks are due to the willing workers of R. & W. Watson for constructing the range, to Messrs. D. Crockart & Son, Stirling, for donating £80 to the Prize Fund and to Messrs. Field Sports Scotland, Dunfermline, for lending the Stige Moving Target Range and donating the Tankard.

Bob Normand
Secretary.
