Congratulations to Ian Gibb on winning the Championship for the second year and to the five league winners for their sustained performances. The importance of ensuring that every competitor who enters shoots the full league, or at least all possible rounds, is graphically shown in Division II which became a wash-out early on due to withdrawals. That does not detract from Joe's performance but did not half knock the stuffing out of the motivation.

Winter is a new league so let us have a big effort for (a) a big entry, and (b) all rounds shot.

Bob Normand.
