

SCOTTISH SMALL-BORE RIFLE ASSOCIATION

15th April, 1982.

S.S.R.A. Open Air Weapons Meeting, 1982

Warmest thanks are extended to the Glenrothes Development Corporation and the Glenrothes Rifle and Pistol Club for laying on such excellent facilities and a fine show. Barring unforeseen difficulties, we are assured of a similar provision for the 1983 Championships. With sufficient advance publicity the attendance should do justice to the efforts expended in organisation. Indeed, there is every prospect of the S.P.A. returning to make it a joint Championship meeting.

Additional thanks are due to Eric Wallace's staff from Balmoral Glassfibre, who prepared the range, and to Geoff Webb for his administrative commitment.

The full score list is appended hereunder. There has been a delay in securing the mementoes planned as prizes. As soon as these are all to hand, they will be issued with a prize list. Your forbearance and understanding are appreciated.

Bob Normand.
