## Individual Leagues

Some of the results of the various individual leagues run in the 1970s and 1980s have disappeared, but we do have a record of the winners of the various competitions, which are listed below for posterity.

From the winter of 1984/85 the 10m Air Rifle league transferred from SSRA to the newly established Scottish Air Rifle and Pistol Association (SARPA) where it ran for much of the remainder of the 1980s before coming to an end. With 10m Air Rifle returning to SSRA management in late 1993, the individual league was restarted, and results from that point on are available on the SSRA website.
