

SCOTTISH SMALL-BORE RIFLE ASSOCIATION

27th April, 1984.

Seventh Scottish Open Air Weapons Meeting, 1984

10 Metre Rifle and 6 yard Results

The Association extends its warmest thanks to the staff of the National Sports Training Centre, Largs, in general and to Mr. Robin Barratt and Mr. Andy Anderson in particular for providing such a convenient venue for this further attempt at running a Joint Championship meeting with our sister body, the S.P.A. Their magnificent facilities enabled us to introduce Field Target shooting into the Meeting for the first time and elicit an unexpectedly large entry.

Many people helped prepare and run the show. Individual mention among our personnel should be made of Geoff Webb, Kate Howie, John Simpson, Bill Robertson, Alex McLennan, and Jack Burns and Walter Dempsey of R. & W. Watson.

Thank you the shooters for your support, and it is hoped to repeat the exercise when earlier planning and wider publicity should see these excellent sporting and residential facilities used to capacity.

Bob Normand.
