Once again, the help and co-operation of almost everyone made this a most successful meeting. With 102 places available, we had 97 occupied, a record attendance as far as I remember! This is due in no small way to the response from certain clubs such as Methlick, Kemnay and in particular, Glenrothes who produced 14 shooters. My special thanks to Messrs Burgess and Smith Junr who started shooting within minutes of arrival to ensure that latecomers did not miss the shoot altogether.

Sponsorship of the entire G.P.Series is provided by Crockarts of Stirling and this year, CHEVRON PETROLEUM (UK) LTD not only provided the magnificent Challenge Trophies for the 4 classes but have also paid for the essential replacement of the 50m and 100yd target supports!

The Trophies and Medals were presented by Mr. Jack Buonan of Chevron and I hope I have conveyed to him the delight of the Committee for this superb support.

The next Grand Prix is at the SSRA Meeting at Perth on June 16th & 17th. Entries will now be accepted by Max Miller, the Organiser who will be delighted to accept offers of assistance on the days of the shoot.

Finally, more than thanks is again due to Sandy who spent such a beautiful day scoring nearly FOUR HUNDRED 20shot cards!

Two items of interest:-

i) A Proposal will be put to the June meeting of the SSRA Council "that a limited SSRA Class 'X' not exceeding ten in number is created and that the conditions for promotion and relegation are determined at that meeting and applied at the coming Linwood Grand Prix on Sunday, 8th. July".

ii) It has been suggested that the Grand Prix series be held at 100yds instead of 50m.

Your views on these matters should be aired now to your local representatives!

Jack Lavety,
