We were very lucky to get the Meeting completed in such reasonable weather although the wind obviously played havoc with the the scores. Some of the best shooters were getting scores they haven't had for a long time - can I invite them to purchase a Visitors Ticket and get some practice? Maybe I can get out of this job and even get some practice in myself. Special congratulations to Bill Moonie with such a convincing win in the morning and to Cliff Ogle for his very consistent shooting that gave him a clear win in the G.P.Stage!

My thanks again to all those who helped out in various ways: like Sandy Stronach for the scoring, Adam who was first on the range to set it up (again!), Janis and Ian for accepting Range Officer duties at short notice and Bill Ross for producing and presenting the prizes.

The usual difficulties arose with entry forms - despite the huge number printed, some didn't get one and others didn't get one till late on. Because of this and not because of the threats of violence, all late entry supplements are being refunded.

The centres for the Medals did not arrive in time but should accompany this list along with cheques for the Sweepers, Refunds and the extra Pairs prizes (only half the sum was paid out on the Range). One important point; if you do not get a prize that you should get - don't complain to your pals; let me know so we can get it sorted out properly.

Anyhow, I hope you all enjoyed the Meeting as much as I did and I will undoubtedly see you at the rest of the Grand Prix series.

Jack Lavety
