

### Freuchie '93

This year, the Freuchie enjoyed a full entry, although two shooters failed to show up for the first round. Due to only two places being taken up by members of the Association using the advance entry form in the latest Newsletter, there was ample room for visiting non-members to Blairgowrie. Visitors Mark Phelps from Northumberland, Simon Aldhouse from Surrey and Ralf Horneber from Germany edged all members out of the final. This brought about a re-shoot of losing eligible semi-finalists for the Wilkinson Sword, which went to David Lumsden, formerly of Leven and now shooting at Eastleigh near Southampton.
