

Scottish 3-Positions Championships '94

For the first time, separate Men's Free Rifle (3x40) and Women's Standard Rifle (3x20) Championships were held, with the details running concurrently, at Linwood. Bill Murray, freshly returned from a World Cup at Fort Benning in the USA was the obvious favourite for the Men's event, but was expected to be given a hard time by Robin Law. As the scores show however, Bill came a cropper when his last shot in the final appeared on Robin's target - thus scoring 0 - allowing Robin to move into first place with Donald McIntosh also moving up. The Women's 3x20 was nip and tuck until Shirley finally got into her stride in the UIT Final.
