Following a discussion in Council, a women's 3x20 final will also be held this year. The leading twelve shooters will be invited to participate in the 3x40, 3-P final at Linwood on Saturday 30th April and the leading three women will be invited to participate in a 3x20 final. As the three leading women are also in the leading twelve, they will be asked to elect to shoot in one final only. They may not shoot in both. Due to the number of changers available at Linwood and the advisability of having emergency changers, further places will not be offered to men as women take up places in the 3x20 final. Council also decided that a 3x20 women's championship will only be held in future years if there are at least 6 entries. Interested in register-keeping for the UIT final on the 30th?
