congratulations to Tim on another fine win: the final result was in doubt right up to the last match but Tom didn't quite manage to catch him. The matches were all very close with a lot of point scoring this year so only two people gained more than 20 points in all. Hugh shot well overall but was robbed! Scoring in the first eight positions was higher this year than last year (1,13,16,19,18,18,16,19) which meant tighter matches. Everyone managed a decent score at some stage so made their own contribution to the results.

See you all next year. Cheers - Cyril.
