Many thanks to everyone who attended for your support of this meeting and the Inter-Region Matches.

Thanks especially to the Denwood Range Association which enters into the spirit of this event, as a fundraiser for Cancer Research and for Scotland smallbore team training, for the use of the facilities at Denwood.

Due to an unforeseen circumstance, the Association personnel running the event were under-strength and the help generously given by those attending on the day was greatly appreciated. We hope everyone saw their scores on the day.

Most gratifying was the proportion of entries from less experienced competitors and we hope their introduction to outdoor shooting went down well and will encourage them to try other meetings and events.

The club with highest turnout last year was St Andrews. This year, they retained that position, albeit with the support of a few student members from St Andrews URC. George Watson's College also turned out in numbers and the new contingents from Clachnacuddin, Larbert and Larkhall were most welcome.

We hope you all found the day rewarding and look forward to seeing you again next year.
